Hi Neighbors,

I want to begin by saying how sad I am to hear that Lloyd Adler is resigning from the board. Lloyd has been a board member for many years and has contributed to the well being of our community. He has worked diligently in many different capacities and has always done a great job. I wish Lloyd the best of luck and thank him, on behalf of the board and the community, for all he has done.

I would like to discuss some issues we are having at Coral Trace. One of the biggest problems we are having involves dogs. In the near future, Snookie Laird and Leah Kesten will be going around to register dogs. I want to remind residents that you can have one dog up to sixty pounds or two dogs with a combined weight of sixty pounds. We know that there are residents with more than two dogs or have a dog above the weight limit. There are waivers for this, but the waiver comes to an end when the dog passes on. In the future, there will be no exceptions to the rule unless it is a service dog. I cannot stress enough that dog owners must clean up after their dogs. For a review of our pet rules see the new posting on our [website](#).

Another issue is speeding and not stopping at stop signs in the community. As much as all the board members are against installing speed bumps, we have no choice but to install them. We will

have a discussion in February and a vote in March concerning speed bumps.

Also, at February's meeting, we will be discussing a timeline for painting each house. There will be a vote in March to finalize the timeline which will probably be May 2012 at which time all homes will be at least ten years old. Any house that has been painted in the last three to four years will be exempt.

We have posted a sign at the front gate that says there is NO PARKING ON STREETS OR GRASS. Please observe the sign. It is for everyone's benefit.

Our development is getting older which means that it requires more maintenance. Please help us so we can keep our home values from declining.

Eric
