(561) 243-7800  
Information Line  
(561) 243-7888

If you have an emergency, call **911**

## **FINDING INFORMATION**

In 2011, the Delray Beach Police Department (DBPD) virtualized its Records Management System, allowing citizens access to the police department's records system from the comfort of their homes. Within the same year, the DBPD embraced social media humanizing the agency by posting daily crime patterns, department accomplishments, and informational tweets about special events happening in the city. Listed below are the addresses where this information can be found.
