### **“Don't Be A Victim”**

#### ***Some Tips To Remember:***

- Do not leave valuables in your vehicle (purse, wallet, computers, jewelry, cellular phone, briefcase, backpack, etc.).
- Do not leave containers, packages, bags, etc., in plain view in your vehicle.
- Secure your automatic garage door and gate openers in your vehicle.
- Park your vehicle in a well-lit area with high pedestrian activity.
- Limit using your interior trunk release button in the presence of others. Place your valuables in the trunk prior to reaching your destination.
- When pumping gas, picking up children, etc., always lock your vehicle door and keep your windows up; unsecured items can be stolen by thieves watching your actions, then entering your vehicle and stealing your belongings within 15 seconds.
- Take your purse, bag, wallet with you, and lock your doors even if the vehicle is in your driveway.
- Never leave a running vehicle unattended.
